You are scheduled for: ☐ colonoscopy ☐ upper endoscopy ☐ flexible sigmoidoscopy on:

_____ _____ /_____ ____:_____ AM / PM ____:_____AM / PM with:

Day **Date** **Arrival time** **Procedure Time**

☐ Dr. Ghosh ☐ Dr. Peterson ☐ Dr. Root ☐ Dr. Singh ☐ Dr. Thyssen ☐ Dr. Weinstock

Your procedure is scheduled at **Missouri Baptist Medical Center Building D Suite 550**

- **Patients and their drivers must not wear perfume, cologne or aftershave.**
- You will need to bring your photo ID and insurance cards.
- If your insurance company requires a referral form or number, it is important that you have obtained this in advance from your primary doctor's office prior to this appointment.
- Remember that you may not drive or work until the next day and need a responsible adult to take you home. Your driver is required to stay during the duration of the procedure.
- **DO NOT** bring any valuables or personal belongings including: cell phones, wallets, purses, jewelry, electronics or cash. Per hospital policy these items will have to be checked and logged in with the security department and will delay your procedure.

Our aim is to provide personalized, caring treatment to people with gastrointestinal conditions and diseases using the most advanced and comprehensive therapies available.

For more information you can visit www.GIdoctor.net , our fax is 314-997-5086 or **for questions please call 314-997-0554 Option 4.**

Upper Endoscopy Prep

Cancellation Policy: We require 7-day notice, or you may be charged $350 cancellation fee. Patients who no-show or late cancel repeatedly, may be denied future appointments. This is not only a courtesy to your physician but provides an opportunity for another patient in need of medical care. Special unavoidable circumstances may have an impact on fees being waived but only with management approval.

If these instructions are not followed it is at the discretion of the physician and your procedure may be cancelled.

- **SEVEN DAYS BEFORE THE PROCEDURE**

Medication restrictions – Please call the prescribing physician

1. *Diabetics taking insulin:* will need dosing adjustment the day before the exam. Please ask for advice from the physician that prescribes your insulin. Oral diabetic medication restrictions listed below.
2. *Blood thinners:* These can increase the risk of bleeding during and after endoscopic procedures to a varying degree. **If you take a blood thinner, review our recommendations below for holding these medications prior to your procedure and confirm with your prescribing provider, some patients may require a "bridge" in medication**:

Effient - 7 days; Coumadin (Warfarin), Plavix and Brilinta - 5 days; Pradaxa, Eliquis and Xarelto - 2 days;

***** IF these medications are unable to be stopped, you need to call our office ASAP*****

3. Aspirin does **NOT** need to be stopped.
4. **Phentermine** – stop 4 days.

- **ONE DAY BEFORE THE PROCEDURE**

IF you are on any GLP 1 medication such as but NOT limited to: Ozempic, Mounjaro, Wegovy, Trulicity, Semaglutide, Saxenda, Zepbound, Vitoza, Rybelus, Adlyxin, Byureon, Byetta and Foundayo you must be on a CLEAR LIQUID DIET the entire day before, CAN NOT have any solid foods the day prior.

1. Drink as much as you can to prevent dehydration. You may have bouillon, broth, black coffee (sugar and artificial sweeteners are okay, no milk or creamer of any kind), tea (honey is okay), juice (apple, grape, cranberry), Gatorade, Powerade, pulp free lemonade, soda (all soda - regular, diet, any color or flavor are okay), water, Popsicles (no fruit puree or yogurt) and Jell-O (any flavor or color). Taking red Jell-O and red Gatorade may turn your bowel movements red, do not be alarmed and should be limited. If you have had dehydration before, drink Pediolyte.
2. You may have clear candy (such as Lifesavers, Jolly Ranchers and gummy bears).
3. **DO NOT TAKE** the following diabetic medications: Glucotrol (glipizide), Glyburide (micronase, diabeta), Januvia (sitagliptin), Prandin (repaglinide), Starlix (nateglinide), Symlin (pramlinide).

IF you are NOT on a GLP 1 medication you can eat and drink as normal the day before your procedure.

- ## THE MORNING OF THE PROCEDURE

1. Nothing to eat after midnight, you can have clear liquids (see above) 4 hours prior to your **scheduled procedure time**.
2. **DO NOT TAKE** the following: Amaryl (glimepiride), Glucotrol (glipizide), Metformin (glucophage).
3. **DO NOT TAKE ANY GLP1 including but not limited to: Ozempic, Mounjaro, Wegovy, Trulicity, Semaglutide, Saxenda, Zepbound, Vitoza, Rybelus, Adlyxin, Byureon, Byetta and Foundayo (morning of procedure). Can resume after procedure.**
4. You should take the necessary medications you normally take (heart, blood pressure, thyroid) on the morning of the procedure with **SIPS** of water.
5. **NO alcohol or illicit drug use, recreational or medical.**
6. Arrive at your scheduled **arrival time**.
7. Bring a list of your medications, insurance card and photo ID.
8. You must have a responsible adult drive you home after your procedure due to the sedation. It is best if your driver waits for you at the endoscopy center. You will only be here for about 2 hours.
   Taking a Cab, Uber, Lyft or Metro Call A Ride is NOT an option. If you do not have a driver, we will not be able to sedate you for your procedure and the procedure may be canceled.
9. You may not drive or work until the following day.

- ## IMPORTANT INFORMATION ABOUT SEDATION

Sedatives used for endoscopy include Propofol. These medications provide amnesia and pain relief. You are breathing on your own. You may be groggy after your procedure, and you **CAN NOT** work or drive the rest of the day; a responsible adult must drive you home after your procedure. A medical transport company is acceptable. No "Metro Call a Ride".
